

Packaged GAS/Electric Combo Units		
Silver	Gold	Platinum
<p>System Replacement - Install Legacy Bryant Gas/Package Unit</p> <p>Includes installation of Bryant Gas/Package Unit Includes new fuses, whip, disconnect, gas flex, gas shutoff, code approved sediment trap, condensate drain, sealing of ductwork at unit, and registers, and new smoke and carbon monoxide sensors. (Does not include new curb)</p> <p>Includes a 1-year labor warranty from HVACR/MEDIC a 10-year limited warranty from Bryant.</p> <p>FEATURES: The Bryant Legacy™ packaged air conditioner/gas furnace combo provides refreshing electric cooling and excellent packaged system gas heating efficiency for winter. Count on comfort with 14 SEER cooling efficiency and up to 81% AFUE heating.</p> <p>Keep warm and cozy with gas heating when the weather turns cold</p> <p>Enjoy the optimized comfort of multi-speed air delivery</p> <p>Blower-enhanced comfort during cooling operation through reduced humidity with appropriate control</p> <p>Galvanized steel cabinet with "coil on top" design for lasting durability against the elements</p> <p>Heavy-duty wire grille protects the coil against physical damage</p> <p>Solid cabinet base panels help prevent infiltration of dirt, debris and moisture</p> <p>20-year limited warranty on heat exchanger or Lifetime limited warranty with stainless steel option</p> <p>10-year parts limited warranty upon registration</p> 	<p>System Replacement - Install Bryant Preferred Gas/Package Unit</p> <p>Includes installation of Bryant Gas/Package Unit Includes Wifi thermostat, pleated filter, fuses, whip, disconnect, gas flex, gas shutoff, code approved sediment trap, condensate drain, sealing of ductwork at unit, and registers, and new smoke and carbon monoxide sensors. (Does not include new curb)</p> <p>Includes a 2-year labor warranty from HVACR/MEDIC a 10-year limited warranty from Bryant.</p> <p>FEATURES: Bryant® Preferred™ gas/electric packaged products include total climate control that pairs an air conditioner with a gas furnace for energy-saving performance and year-round, whole-home comfort. This model achieves fuel efficiencies of up to 16 SEER cooling and 80.1% AFUE gas heating. And, with two-stages of operation, it delivers even, consistent and quiet comfort on low stage, then kicks it up a notch as needed to match conditions with high stage.</p> <p>Enjoy cool, summer comfort up to 16 SEER & 12 EER efficiency</p> <p>Keep warm and cozy with gas heating when the weather turns cold</p> <p>Enjoy the optimized comfort of multi-speed air delivery</p> <p>Two-stage operation allows longer, more consistent heating and cooling cycles on low stage for savings and comfort</p> <p>Enhanced comfort during cooling operation through reduced humidity with appropriate control</p> <p>Galvanized steel cabinet with "coil on top" design for lasting durability against the elements</p> <p>Lowered grille protects the coil against physical damage</p> <p>Solid cabinet base panels help prevent infiltration of dirt, debris and moisture</p> 	<p>System Replacement - Install Bryant Preferred Gas/Package Unit</p> <p>Includes installation of Bryant Gas/Package Unit Includes new WIFI thermostat, electrostatic filter, fuses, whip, disconnect, gas flex, gas shutoff, code approved sediment trap, condensate drain, sealing of ductwork at unit, and registers, and new smoke and carbon monoxide sensors. (Does not include new curb)</p> <p>Includes a 3-year labor warranty from HVACR/MEDIC a 10-year limited warranty from Bryant, and 2-years of preventive maintenance.</p> <p>FEATURES: Bryant® Preferred™ gas/electric packaged products include total climate control that pairs an air conditioner with a gas furnace for energy-saving performance and year-round, whole-home comfort. Split Systems Gas Furnace and Split Air Conditioner		
Silver	Gold	Platinum
<p>System Replacement - Install Bryant 15.2 Seer2 Air-conditioning system and 80% AFUE Furnace.</p> <p>Includes removal of existing system. Installation of Bryant 15seer Air Conditioner, and 80% Ultra Low Nox Furnace</p> <p>Includes new fuses, whip, disconnect, gas flex, gas shutoff, code approved sediment trap, condensate drain, sealing of ductwork at unit, and registers, and new smoke and carbon monoxide sensors. (Does not include new ducting)</p> <p>Includes a 1-year labor warranty from HVACR/MEDIC a 10-year limited warranty from Bryant.</p> <p>AIR CONDITIONER FEATURES: The Bryant Legacy™ air conditioner. Enjoy reliable, money-saving cooling for your home with impressive efficiency ratings up to 15.5 SEER2. Enjoy cool summer comfort with up to 16.5 SEER2 & up to 13.5 EER2 efficiency</p> <p>Quiet performance with sound as low as 73 db</p> <p>Enjoy energy savings, remote access capability and in-depth energy reporting with the ecobee Smart Thermostat by Bryant.</p> <p>DuraGuard™ protection system</p> <p>Environmentally-sound Puron® refrigerant</p> <p>10-year parts limited warranty upon registration</p> <p>FURNACE FEATURES: An excellent choice for environmentally conscious homeowners. Legacy™ Line ultra-low NOx gas furnaces deliver warm winter comfort and 65% lower NOx emissions compared to a standard, low-NOx model.</p> <p>Ultra Low NOx burner technology-meets 14 ng/1 NOx emissions limit for California's South Coast Air Quality Management District and San Joaquin Air Pollution Control District</p> <p>Multi-speed blower is customized to your home for comfort</p> <p>Insulated cabinet for quieter operation</p> <p>20-year limited warranty on heat exchanger</p> <p>10-year parts limited warranty upon timely registration</p> 	<p>System Replacement - Install Bryant 16 Seer2 Air Conditioner and 80% Ultra Low Nox Furnace</p> <p>Includes removal of existing system. Installation of Bryant 16seer Air Conditioner, and 80% Ultra Low Nox Furnace</p> <p>Includes Wifi thermostat, pleated filter, fuses, whip, disconnect, gas flex, gas shutoff, code approved sediment trap, condensate drain, sealing of ductwork at unit, and registers, and new smoke and carbon monoxide sensors. (Does not include new ducting)</p> <p>Includes a 2-year labor warranty from HVACR/MEDIC a 10-year limited warranty from Bryant.</p> <p>AIR CONDITIONER FEATURES: Bryant's quiet single-stage air conditioner provides outstanding energy-efficient performance with SEER2 ratings up to 16.5. Enjoy cool summer comfort with up to 16.5 SEER2 & up to 13.5 EER2 efficiency</p> <p>Sound as low as 72 db</p> <p>Improved indoor air quality</p> <p>Enjoy energy savings, remote access capability and in-depth energy reporting with the ecobee Smart Thermostat by Bryant.</p> <p>DuraGuard™ Plus protection system</p> <p>Environmentally-sound Puron® refrigerant</p> <p>10-year parts limited warranty upon registration</p> <p>FURNACE FEATURES: An excellent choice for environmentally conscious homeowners. Legacy™ Line ultra-low NOx gas furnaces deliver warm winter comfort and 65% lower NOx emissions compared to a standard, low-NOx model.</p> <p>Ultra Low NOx burner technology-meets 14 ng/1 NOx emissions limit for California's South Coast Air Quality Management District and San Joaquin Air Pollution Control District</p> <p>Multi-speed blower is customized to your home for comfort</p> <p>Insulated cabinet for quieter operation</p> <p>20-year limited warranty on heat exchanger</p> <p>10-year parts limited warranty upon timely registration</p> 	<p>System Replacement - Install Bryant 16 Seer2 Air-conditioning system and Preferred 95%AFUE Variable Speed Ultra Low Nox Furnace</p> <p>Includes removal of existing system. Installation of Bryant 16 Seer Air Conditioner, and 95% Ultra Low Nox Furnace</p> <p>Includes new WIFI thermostat, electrostatic filter, fuses, whip, disconnect, gas flex, gas shutoff, code approved sediment trap, condensate drain, sealing of ductwork at unit, and registers, and new smoke and carbon monoxide sensors. (Does not include new ducting)</p> <p>Includes a 3-year labor warranty from HVACR/MEDIC a 10-year limited warranty from Bryant, and 2-years of preventive maintenance.</p> <p>AIR CONDITIONER FEATURES: Bryant's quiet single-stage air conditioner provides outstanding energy-efficient performance with SEER2 ratings up to 16.5. Enjoy cool summer comfort with up to 16.5 SEER2 & up to 13.5 EER2 efficiency</p> <p>Sound as low as 72 db</p> <p>Improved indoor air quality</p> <p>Enjoy energy savings, remote access capability and in-depth energy reporting with the ecobee Smart Thermostat by Bryant.</p> <p>DuraGuard™ Plus protection system</p> <p>Environmentally-sound Puron® refrigerant</p> <p>10-year parts limited warranty upon registration</p> <p>FURNACE FEATURES: An excellent choice for environmentally conscious homeowners. Legacy™ Line ultra-low NOx gas furnaces deliver warm winter comfort and 65% lower NOx emissions compared to a standard, low-NOx model.</p> <p>Communicating Variable speed, Constant airflow (VCA) ECM blower motor for electrically efficient operation all year long in heating, cooling and continuous fan operation</p> <p>Single-stage gas valve with pre-mix burner</p> <p>Pilot free, hot surface ignition</p> <p>Variable-speed inducer motor for consistent operation</p> <p>Supports single-stage, two-stage, and variable speed cooling units</p> <p>High temperature limit control designed to prevent overheating</p> <p>Adjustable blower speed for heating, cooling, continuous fan, and dehumidification</p> <p>Stainless-steel primary heat exchanger</p> <p>Fully-insulated casing including blower section</p> <p>Stainless-steel condensing secondary heat exchanger</p> <p>Two-stage operation allows longer, more consistent heating and cooling cycles on low stage for savings and comfort</p> <p>Enhanced comfort during cooling operation through reduced humidity with appropriate control</p>
